Dear Parents and Caregivers

**Interschool**

Congratulations to all of our students that competed at the Winter Lightning Carnivals on Thursday 23rd June. We all had a terrific full day of competition and fun with the other schools in the Cockburn District School Sports Association.

Well done to all our Minkey Hockey and Soccer players as they were the overall winners at their individual carnivals. Their trophies are on display in the front office for all to see. A marvellous effort from all of these players. The Minkey Hockey team were undefeated all day!

Well done also to the Netball A & B teams. Netball B came ‘Runner-up’ in their Division and Netball A were very competitive as well. Everyone indicated that they had a great day of sport and participation. Australian Rules Football team also had a wonderful and hard day of footy. The team came 4th from 8 participating schools. All players were doing their absolute best throughout the day and demonstrated terrific sportsmanship.

Out of the four disciplines of sport at these carnivals SCPS were the overall winners in two of them. A really great result for the school!

A huge thank you to our Senior Sport Teachers. Mrs Barnes, Mrs Anderson, Mr Wheatley, Mrs Duce and Ms Booth. Well done!

Thank you
Gary Gough
Sport Teacher

**Therapy Focus**

I am very happy to say that we have 10 Finalists that have been selected by Therapy Focus in their annual, state-wide art competition. Over 50 schools entered with over 4000 entries!

The final art pieces selected as illustrations for this year’s book are decided by community votes so we all need to get behind our students! There are 5 finalists for each page of the book and we have 9 pages represented... that is HALF the book!

The voting application will go **LIVE at 9am on FRIDAY 1ST JULY** and remain open until 5pm on Sunday 17th July. I.e. throughout the school holidays. **One vote per person per day!**

We would like to take this opportunity to wish you happy holidays. Students will return to school on Tuesday 19th July.
